Dear students,

in the above table there are subjects of group presentations, to be given at the dates shown.

You may use also additional literature, with the restriction to scientific papers in the prestigious journals and/or official reports of UN agencies.

Please, write below the table, in the document: [https://drive.google.com/file/d/1tIq8\\_yrLAjqnfwBF-NA6b3kybk97w1cB/view?usp=sharing](https://drive.google.com/file/d/1tIq8_yrLAjqnfwBF-NA6b3kybk97w1cB/view?usp=sharing) your name and, in the order of preference, 3 numbers of the preferred subjects. Using this information I will assign you to the groups

Best
